**Note:**

1. Some players are playing out of position due to numbers and the teams may be adjusted after the first two weeks.

**Points:**

Two points for each end won, one point for each point scored to a maximum of 10, plus one half of the roll off score

Only 8 points for a roll off for a stone on the button

On three-man teams the lead throws the first and third roll off stone.

Tie break: Rink with the highest roll off is the winner

If still tied, then the team with the highest number of ends is the winner.

If still tied the winning team with the greatest plus score winner minus the losers games score

Losing team with the greatest plus, the winner minus the losers game score

Losing team with the smallest minus score, loser minus the winners game score.
